

Young Professional Committee

Membership At-A-Glance

Benefits:

- Network with ABC staff, members and volunteers
- Help to develop the future of ABC and the construction industry as a whole
- Engage young professionals within the construction industry and excite them about making ABC the industry leader
- Guide the National Association in delivering high-quality services to ABC members and chapters

Eligibility Requirements:

- Active ABC chapter membership at time of application and throughout entire term

Scope: The Committee is charged with developing the ABC National Young Professional program, implementing the program and helping to disseminate to ABC chapters and members. It develops the benefits offered by the ABC National Young Professional program, the logistics behind it and finding new and exciting ways to engage the young professionals in our membership and the industry as a whole.

Values:

- Innovation and creativity
- Modeling the concept of partnering, seeking opportunities when possible
- Action-oriented
- Accountability
- Collaboration and inclusivity

Duties

- Regularly attend meetings and show commitment to the goals of the group
- Contribute skills, knowledge and experience when appropriate
- Help to gather information to improve the program
- Collaborate with other members of the group
- Participate in decision-making and executing tasks
- Respect and support the majority decisions of the Committee
- Think creatively to continuously evolve the program and deliver value to the chapters and members.

Preferred Background

- Interest in developing ABC's young professionals, student chapters and young leaders in the industry
- Involvement in chapter young professional and/or emerging leader programs
- Experience with:
 - Organizing events and programs
 - Young professional and student programs

Time Commitment:

- One-year term
- One in-person and six virtual Committee meetings
- Time to perform Committee assignments
