

24th Annual Excellence in Construction Awards

WHAT IS ABC'S EXCELLENCE IN CONSTRUCTION AWARDS?

The annual Excellence in Construction Awards (EIC) ceremony brings more than 500 industry leaders together from around the country to honor the nation's most innovative and highest quality merit shop construction projects, safety and diversity programs.

NEW THIS YEAR!

BizCon and EIC will have international twist reflecting the off-shore location and our partnership with Merit Canada. The events will be co-located with Merit Canada's International Open Shop Conference (IOSC), bringing together the most influential North American thought leaders in the construction industry. We have opportunities available to you that span the entire week which we are calling – Merit Week!

We are celebrating Hawaiian style! In place of our traditional formal dinner, we will be hosting a Luau for all attendees to celebrate with EIC winners. Don't miss your chance to get in front of all attendees.

www.abc.org/eic

AWARDS ARE GRANTED BASED ON THREE DIVISIONS:

NATIONAL EXCELLENCE IN CONSTRUCTION AWARDS:

Eagle and Pyramid awards recognize the winning projects in a variety of categories. A project must win at a local ABC chapter EIC competition before it can move on to the national competition. General contractors and specialty contractors each submit projects for their respective categories, based on the type and volume of the project.

This event will allow your staff to connect face to face with the industry's most important people.

NATIONAL SAFETY EXCELLENCE AWARDS:

The National Safety Excellence Awards competition recognizes construction companies with exemplary safety programs and performance. Each year, entries are submitted from STEP Platinum and Diamond recipients that include data from each company's Safety Training Evaluation Process (STEP) application. Pinnacle, Excellence and Merit awards are given to winners in categories that are based on total work hours and construction industry classification codes.

NATIONAL DIVERSITY EXCELLENCE AWARDS:

ABC is committed to supporting industry efforts to overcome the challenges and maximize the opportunities associated with an increasingly diverse workforce, client base and subcontractor/supplier base. The National Diversity Excellence Awards honors contractors, associates and supplier members that show exemplary leadership in diversity within their workforce, supply chain and community.

“It was an honor to have the Kwest Group name and logo associated with the event and inspiring to see it displayed among the other distinguished sponsors and attendees! The sponsorship of the Excellence in Construction Awards was a remarkable opportunity to put the Kwest Group name in front of a wide range of industry professionals, potential project partners, and future clients.”

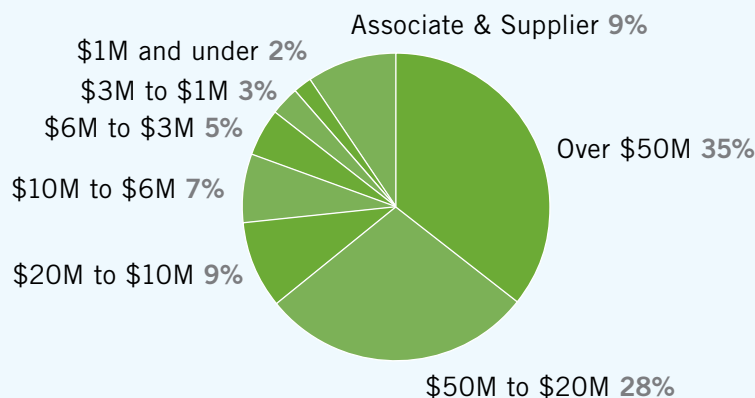

—Ryan Odendall, President, KWest

WHO ATTENDS THE EIC EVENT?

MORE THAN 500
ATTENDEES EXPECTED
FOR THE 24TH ANNUAL
