C INTERSTATE ELECTRICAL SERVICES CORP.

N Sacred Heart University New Recreational Center

L Fairfield, Connecticut

CO Sacred Heart University

A S/L/A/M Collaborative

E HF Lenz Co.

GC Consigli

The Bobby Valentine Recreation Center is a brand-new, state-of-the-art facility at Sacred Heart University, allowing SHU to reconfigure the existing, 21-year-old Pitt Center for exclusive use by SHU's student athletes and help facilitate Division I sports programs.

**ELECTRICAL: COMMERCIAL

C GREINER ELECTRIC LLC

N Eating Recovery Center

L Denver

CO Eating Recovery Center

A Boulder Associates

E Farnsworth Group

GC Brinkman Construction

Construction began in fall 2017 and quickly advanced an aggressive 15-month schedule. The three-story, 63,000-square-foot facility encountered a mid-project code change that required non-psychiatric grade material be replaced. Utilizing BIM and prefabrication, Greiner maintained the fast-tracked schedule.

**ELECTRICAL: INDUSTRIAL

Tri-City Electrical Contractors Lights Up the Industry

From left: Jack A. Olmstead, H.L. "Buddy" Eidel, F. Rance Borderick

Tri-City Electrical Contractors Inc. is the winner of ABC's 2020 Contractor of the Year Award in recognition of its esteemed reputation in client service, technical innovation, safety performance and merit shop workforce development.

With a large portfolio of award-winning projects lighting up multiple Florida skylines, Tri-City works in broad array of markets: commercial, entertainment, government, health care, hospitality, industrial, multi-family, schools and more.

Tri-City encompasses over 800 field and support staff, with offices located in Altamonte Springs, Tampa, Fort Myers and Pompano Beach.

As an employee-owned company, Tri-City encourages its entire team to invest in the success of the company, the well-being of its people and the future of the entire industry.

For more than 60 years, Tri-City has provided its clients with personal attention, professional expertise and timely performance. The company promises to handle "any project from start to finish, from wire to wire," through its talented team of craftsmen that offer superior installation and pre-fabrication services known throughout the merit shop construction community.

Tri-City has held Platinum level in ABC's STEP Safety Management System, a testament to its strong commitment to the safety of all its employees. At the chapter level, Tri-City received ABC Central Florida's Safety Award for achieving the local industry's best record in the million work hours category.

The company has achieved the high marks that qualify it as an ABC Accredited Quality Contractor, and it has been ranked on ABC's Top Performers List. It is also a winner of multiple state and local ABC Excellence in Construction® Awards.
