

# ABC Project Management Institute at Purdue University

ABC sponsors a Project Management Institute held at Purdue University in West Lafayette, IN. This course, developed by experienced contractors and Purdue University faculty, is designed specifically to meet the needs of today's contractors. Participants will get an inclusive look at successfully handling all aspects of project management.

## Who Should Attend?

Owners, project managers, estimators, and any employee involved in managing projects.

## Why Attend?

- Attendees will learn tools to improve profitability and productivity and increase quality and customer satisfaction.
- Course instructors are from the nationally recognized Department of Building and Construction Management at Purdue University and hold over 80 years combined project management experience.
- Interactive course focused on application.
- Class specifically focuses on project management using real examples and case studies of contractors.
- Participants will obtain management tools that will positively impact their firm.

*Having attended other ABC training in the past, I was holding a high bar for this program. Without a doubt, a new height has been set."*

-Attendee Testimonial
