

Accredited Quality Contractor Additional Branch Form

Accredited Quality Contractor (AQC) membership is chapter specific. If your company is a member of multiple chapters, it's easy to add additional offices/branches to your AQC membership. To add these branches, you must be a current member of that chapter and have a branch office in the chapter that you would like to add.

Simply return this form along with \$50.00 for each branch office you are adding to your annual Accredited Quality Contractor dues remittance.

Return via E-mail to AQC@abc.org; fax to (703) 812-8235; or mail to: AQC, Associated Builders and Contractors, 4250 N. Fairfax Dr., 9th Floor, Arlington, VA 22203
