

The Protecting the Right to Organize Act, better known as the PRO Act (H.R. 842 and S. 420) has been recently introduced to Congress. This legislation will have many negative impacts on workers, businesses, and the economy.

# THE “PRO” Act Would:

- ✗ Expose worker's personal information;
- ✗ Limit the rights of workers and employees;
- ✗ End right-to-work in all states;
- ✗ And more!

**Contact your Senators and tell them to say NO to the  
“PRO” Act.**

The Fair and Open Competition Act, better known as FOCA (H.R. 1284 /S. 403) has been recently introduced to Congress. This legislation would ensure that taxpayer-funded construction contracts are awarded through fair and open competition.

# FOCA Would:

- ✓ Prevent the government from mandating a project labor agreement as a condition of winning federal or federally assisted construction contract
- ✓ Preserve fair and open competition on public contraction contracts
- ✓ Ensure federal construction contracts are awarded based on sound and credible criteria, such as quality of work and experience

**Contact congress and tell them to support the  
Fair and Open Competition Act.**
