### SHELL FLEET PLUS CARD REBATE PROGRAM INFORMATION

The Shell Fleet Plus Card Rebate Program is a program offered by Shell Oil Products US ("we" or "us"). You may earn rebates on qualifying fuel purchases made with your Shell Fleet Plus Card at Shell stations within the United States. You will earn a rebate of up to six cents (\$.06) per gallon in each billing cycle based upon the total number of gallons purchased as shown below:

| Total Number of Gallons Purchased in Billing Cycle | Per Gallon Rebate |
|--|-------------------|
| 0 to 299.99  | 0¢                |
| 300 to 3,499.99                                    | 3¢                |
| 3,500 to 7,999.99                                  | 4¢                |
| 8,000 to 9,999.99                                  | 5¢                |
| 10,000+  | 6¢                |

Gallons purchased will be considered for a rebate in the billing cycle they are posted to your account. Rebates will be earned only on fuel purchases made for commercial or other business purposes. The highest cents per gallon rebate earned during a billing cycle will be applied to all gallons purchased during that billing cycle. However, the maximum rebate on diesel fuel purchases is three hundred dollars (\$300.00) per billing cycle.

When calculating the amount of the rebate, we will multiply the number of gallons by the appropriate cents per gallon rebate and round to the nearest cent. In the event gallon information is not available for a specific transaction, we will determine the number of gallons purchased by dividing the total purchase amount by an average price per gallon amount obtained from the U.S. Department of Energy.

Rebates will be automatically credited to your monthly billing statement. Your account must remain open and current in order to receive rebates. When you become a cardmember, you will receive the full Shell Fleet Plus Rebate Program Terms and Conditions, which we may change at any time with thirty (30) days prior written notice.
