

Tony Rader
2019 Chair
Associated Builders and Contractors

Tony Rader, telecom vice president of National Roofing Partners, Coppell, Texas, is the 2019 chair of Associated Builders and Contractors. Previously, he spent six years as ABC's South Central region vice chairman, which includes members and chapters in Texas, Oklahoma, Louisiana and Arkansas.

As chair of the ABC Executive Committee, Rader oversees the activities of the national association, sets policy and carries out the mandates of the ABC Board of Directors. Radar is also a member of the ABC Services Corp. Board of Directors, a trustee of ABC PAC, the association's political action committee, and was on the ABC Board from 2008 to 2012.

Rader was chairman of the ABC TEXO Chapter in 2010 and also served on several chapter committees, including bylaws, finance and membership, and the chapter's political action committee, TEXO-PAC.

At NRP, the leading network of commercial roofing contractors in North America, Rader directs the team focused on telecommunications rooftop services. He previously served at vice president of business development for Schwob Building Co. Ltd., a Dallas-based general contractor focused on commercial and industrial construction, where he managed a national sales and marketing staff with executive oversight of key project initiatives.

Active in his community, Rader is president of the Rotary Club of Hurst-Euless-Bedford and is a member of the Civil Service Commission of the city of North Richland Hills. Rader attended Tarrant County Community College in Hurst, Texas, and Southern Methodist University in Dallas. He is married and has three children and three grandchildren.

###

Associated Builders and Contractors is a national construction industry trade association established in 1950 that represents more than 21,000 members. Founded on the merit shop philosophy, ABC and its 69 chapters help members develop people, win work and deliver that work safely, ethically and profitably for the betterment of the communities in which ABC and its members work.
