

Tony Rader
2018 Chair-elect
Associated Builders and Contractors

Tony Rader, vice president of business development of Schwob Building Co. Ltd. (SBC), Dallas, is the 2018 chair-elect of Associated Builders and Contractors (ABC). For the past six years, he was ABC's South Central region vice chairman. The South Central region includes members and chapters in Texas, Oklahoma, Louisiana and Arkansas.

As a member of the ABC Executive Committee, Rader helps oversee the activities of the national association, sets policy and assists the national chairman in carrying out the mandates of the ABC Board of Directors. He served on the board from 2008 to 2012. He is a member of the ABC Services Corp. Board of Directors and has been a trustee of the association's political action committee, ABC PAC, since 2009.

Rader served as chairman of the ABC TEXO Chapter in 2010. He also served on several chapter committees, including bylaws, finance and membership, and the chapter's political action committee, TEXO-PAC.

As vice president of business development for SBC, Rader manages a national sales and marketing staff with executive oversight of key project initiatives. SBC is a privately owned Dallas-based contractor working in all facets of construction—including commercial and industrial projects—with more than 400 employees nationwide. Active in his community, Rader is president of the Rotary Club of Hurst-Euless-Bedford and is a member of the Civil Service Commission of the city of North Richland Hills. Rader attended Tarrant County Community College in Hurst, Texas, and Southern Methodist University in Dallas. He is married and has three children and three grandchildren.

###

Associated Builders and Contractors (ABC) is a national construction industry trade association established in 1950 that represents more than 21,000 members. Founded on the merit shop philosophy, ABC and its 70 chapters help members develop people, win work and deliver that work safely, ethically and profitably for the betterment of the communities in which ABC and its members work.
