1. The applicant and/or its organization must support training for the merit shop construction philosophy. ABC chapters, chapter affiliates and ABC members must be in good standing.

Conditions and Obligations of Funding

1. TCEF accepts multi-year funding requests on a case-by-case basis.
2. Financial assistance will not be provided under any circumstances for costs that have already been incurred at the time an application is received by TCEF.
3. Applicant overhead expenses, staff expenses, travel, etc., will not be funded or reimbursed.
4. Funding for actions beyond those authorized in the funding agreement must be separately approved in advance by TCEF. Approving a specific request is not to be taken as a guarantee that additional funding will be authorized.
5. Upon applying for a grant from TCEF, applicants understand the terms of commitment include an in-depth accounting of the organization's activities and financial contributions/matching funds, and that proper back-up for all items purchased under the grant is required.
6. Applicants may only apply for funding once a year. For example, if you apply for funding in February, you are not eligible to apply again until the following February.

If the members table a matter to seek more information, the applicant will be contacted by the ABC TCEF staff liaison with a request for clarification or additional information.
